This criminal complaint was filed against:

- 2) The World Health Organization
- 3) The European Commission
- 4) The European Medicines Agency
- 5) The French Minister of Solidarity and Health
- 6) X or any named person that the investigation will reveal

The reported facts could be categorized as the following criminal offences:

- Conspiracy to defraud (punishable under article 313-1 of the French Criminal Code);

We remain at your disposal for any further information you might require,
