
A close-up photograph of a child's hand with the word "STOP" written in black marker on the palm. An adult hand is holding a syringe, with the needle pointing towards the child's hand. The background is blurred, showing the child's face and hair.

Mum, Dad,
are you ready to face the
consequences of the death
of your child or of the
secondary effects
if you inject him with the
'vaccine' against Covid-19?

We don't!
Think about it.
